

Conference Sponsorship Opportunities

The Hudson River Watershed Alliance's annual conference is Tuesday, October 29, 2019 at the Henry A. Wallace Center, FDR Presidential Library & Museum in Hyde Park, NY. The conference brings together people working throughout the Hudson River watershed to share experiences, information, and best practices.

Our 2019 conference theme is **Healthy Landscapes**. The conference will showcase how our individual values inform our perspectives on what a healthy landscape means, and how that impacts our work on rural, suburban, and urban watersheds. The conference will also include updates on statewide initiatives, time for networking, and case studies from planners and practitioners on improving and protecting our valuable, regional water resources.
